## 4 month training contract for Black & Minority Ethnic Groups

Midlands Region and throughout England & Wales  
£4,000 training allowance

The Environment Agency is playing a vital part in making England and Wales a better place to live. We ensure that air, land and water are looked after by everyone in today's society, so that tomorrow's generations inherit a cleaner, healthier world. It's a mission that affects every community equally. But not every community is equally represented in our workforce.

That's why we're launching a training programme under section 37 of the Race Relations Act 1976 to provide training to individuals who are interested in Environmental Protection activities. This training will involve opportunities to shadow current Environment Officers. These are the people who inspect sites, check permits and enforce the law, but also build constructive relationships with businesses to encourage them to achieve more. It takes resilience, strength of character and commitment. But there's huge satisfaction from knowing you have a positive role in protecting the environment.

For a full information pack and to apply, please visit [www.environment-agency.gov.uk/jobs](http://www.environment-agency.gov.uk/jobs) Alternatively please call 0845 601 2233 or email [national.recruitment@environment-agency.gov.uk](mailto:national.recruitment@environment-agency.gov.uk) quoting reference 13596. Closing date: 8 October 2008. If you don't fit the criteria for these training contracts, visit our website to find out more about our other opportunities, which are open to all applicants.

There is no guarantee of employment at the end of the traineeship, although you will be given the opportunity to apply and compete with a wider applicant base for our Environment Officers intake in the spring of 2009.

We are committed to making our organisation as diverse as the environment
